

December 16, 2016

Dear Members of Sangamon Valley Chapter of AFE,

It is truly and honor to be selected for this award. I had so much fun meeting everyone involved and getting to hear so many fun stories and experiences in the industry. This award means so much for my family, as we are still paying off student loans for three children. In addition, this award means a lot to me, individually. On a large campus like this one, it is easy to feel unnoticed or like your value has been diminished. Thank you for highlighting the good works of students on this campus and offering recognition of their accomplishments.

Sincerely,

Kyle DePatis
